## Softball Rules

This is a Double Elimination tournament. The rules will follow the 2010 ASA softball rule book, with a few twists.

1. The UMPIRE has FULL authority of the games, their ruling is GOSPEL, and they are volunteers and will not tolerate poor sportsmanship.
2. Teams must start and end the game with the 10 player rule, if your team is short a player; we will assign a player from our pool players to start the game. Remember games are only 6 innings.
3. No Profanity
4. No Alcohol
5. Your roster must be at least 50% female.
6. There will be 10 defensive players on the field.
- 7..The defensive team will be 50% male and 50% female.
8. There is a 1 pitch per batter rule.
9. There is a 10 run mercy rule after 4 innings, after 3 ½ for home team.
10. 1 hour time limit per game.
11. 18 years or older.
12. No Slide Rule is in effect. Go into every base standing.
13. 6 Inning game, ties go 1 more inning and if still tied flip of a coin decides winner. Visiting team calls flip.
14. SLOW-PITCH GAMES
15. No pinch runner, an injured player can have a pinch runner but must be of same sex and it will be who made the last out.
16. Alternating batting order, Male/ Female or Female/Male.
17. Free substitutions, but a starter and a sub are married in the order; substitutions are also male for male or female for female. A player who plays defensively must get their turn to bat.
18. All teams need to provide their own first aid kits and ice packs.
19. Home team will be decided by a coin flip except for the championship game where the last undefeated team will be home. If a second game is needed, a coin flip will then decide.

Other Notes; there is a portable toilet at Bay Path and we will be selling drinks as well as bringing hot dogs and hamburgers if folks want.

If for some reason we do not have an official scorer at your game, the home team's score book will be the official score book.
